

JOHN R. MIER

Company Taps New Manager

The Dow Chemical Company has named a new manager for its plastics production plant at 305 Crenshaw Blvd. He is John R. Mier of Dow's corporate planning office in Midland, Mich. Mier succeeds A. L. Holiday, who is being transferred by Dow to Europe where he will be involved with the company's manufacturing operations in Spain, Italy, and Greece. Mier joined Dow as a research and development engineer in 1950 after he received his B.S. degree in chemical engineering from Rice University at Houston, Tex. He has held research, production and planning posts for the company since that time. Since 1967 he has been manager of planning for the company in Midland, Mich. Holiday had been manager of the Torrance plant since 1965.

Torrance Student Honored

A senior from Carson High School, 22328 S. Main St., is one of eight high school students in the Los Angeles City Schools to receive the 1968 Achievement Awards of the National Council of Teachers of English. Some 8,000 students in the United States were nominated for the award and 435 were chosen as finalists. The only area winner is Phyllis Jeanne Kimura of 215 W. Fiat St. Richard Frank Martinus, also of Carson High, was one of three runners-up. He lives at 177 E. 230th St., Wilmington. As bases for a decision, the judges received from each student a nomination blank containing biographical data, three compositions, an autobiographical sketch, impromptu and prepared papers, results of standardized tests in composition and of literary awareness, a supporting letter from one teacher of English, and the approval of an administrator.

Television Equipment Disappears

More than \$3,000 worth of sophisticated audio-video equipment was stolen sometime during the weekend from a station wagon parked in the carport of Friday USA Apartments, 4315 W. 182nd St. The equipment was taken from a representative of the Shibaden Co., authorized to sell the merchandise. Stolen were two tape recorders, two closed-circuit television monitors, three closed-circuit television cameras, three small television cameras, three reels of video tape, and an attache case containing the representative's business cards.

Six Nabbed On Burglary Charges

Six area young people were arrested for burglary before dawn Saturday after Torrance police observed them sitting in the dark inside a car in front of a house at 209 Vista del Sol. Arrested at 5:45 a.m. were Gary R. Bache, 22, of 3922 Emerald St.; Robert C. Crowe, 18, of 410 N. Broadway, Redondo Beach; two juvenile boys and two juvenile girls. Police said they found a small black jewelry box in Bache's front trouser pocket. The box contained a woman's engagement and wedding rings, and a man's wedding ring.
